welcome

Welcome to the YWCA Kids Place school aged childcare program. For more than 20 years YWCA Kids Place has provided high quality care for children in central Ohio. We are very pleased to have your child enrolled in our program and take part in your child's extended education. As part of our licensed program, you will find a nurturing and supportive partner in our highly qualified and experienced staff. YWCA Kids Place programs are conveniently located within the elementary school buildings, so there is an easy transition for your child from the school day into our program.

We hope this handbook will help you to understand the policies and procedures of the program. It is important that you read this handbook and have it available for review while your child is enrolled. If you have any further questions, please feel free to contact either your site director or any of the employees listed on page 4. We look forward to providing exceptional care for your child.

Staff/Child Ratios and Group Sizes

YWCA Kids Place maintains a minimum of a 1:18 teacher/child ratio for all school age children during the school year and in our Summer Kids Place Program. A lower ratio may be used for field trips and swimming activities. Maximum group size is 36 children.

In this school age program setting all children, ages 5 through 12 years old, meet in one large program area. To help children transition from the school day each child is assigned to a smaller Emergency Group, supervised by a specific staff member. This grouping may be by age, grade, girls/boys or alphabetically. Staff to child ratio is no greater than 1:18.

Each child reports to her/his assigned group daily for attendance. Announcements, bathroom breaks, snack, smaller group projects and field trips may also be completed while the child is in the Emergency Group. Children will be allowed to leave their Emergency Group at the specified time to independently make activity choices within the program area.

Parent Participation Policy

Parent/guardian input and participation are encouraged. Parents and Guardians have unlimited access to all areas of the licensed childcare portion of the building during program hours but are required to inform the site director/designee of your presence when you arrive.

Parents and employees who need assistance or have concerns about any aspect of the program should speak with the Kids Place Site Director, the Program Administrator for their district, or the YWCA Director of Youth Programs. Contact information may be found on the YWCA's website at www.ywacacolumbus.org, or at the beginning of this handbook.

YWCA Kids Place Programs will hold parent events, service projects and field trips during the year. Parents are encouraged to participate in these events. Please watch the parent information board and the monthly newsletter at your site for information on upcoming events.

Teachers are available throughout the year to discuss your child's progress or needs; however, due to teacher's responsibilities and schedules, parents are asked to make appointments with teachers when it is necessary to engage in a lengthy conversation.

YWCA Kids Place believes that strong partnerships between home, school and the YWCA will create the most successful environment for children to succeed. As part of our ongoing improvement and evaluation efforts, parents are asked to complete an annual program survey. Information gained from the survey will help guide our programming and services

Parents also have the choice to be included on a parent roster for their child's Kids Place location. This roster includes the names and telephone numbers of families registered at the site who have given permission for their names to be shared. This roster is updated periodically throughout the year. The Ohio Department of Job and Family Services require this roster to be maintained and distributed upon request for child care program-related business. Parents who wish to have a copy of the roster may request a copy from the Kids Place Site Director.

Nap/Rest Time

During before and afterschool program hours' nap/rest time is not available.

Parent Responsibilities

Parent/guardian contributions in maintaining the peace and cooperative spirit that we strive for in Kids Place are essential. To accomplish this goal, the parents/guardians in our program have the following responsibilities:

- Parents/guardians are responsible for following YWCA Kids Place Program Handbook policies and procedures.
- Parents/guardians are responsible for informing anyone who enters the program, on their behalf, of the YWCA Kids Place policies and procedures.
- Parents/guardians are responsible for respectful communication with staff and children.

- Parents/guardians are responsible for informing the YWCA Kids Place of any changes in home, work and cell phone numbers, addresses, and e-mail address.
- Parents/guardians are responsible for monitoring and being aware of any personal belongings their child may bring to the program from home. Inappropriate items brought from home by a child will be confiscated by Kids Place staff and returned only to a parent/guardian. Kids Place staff is not responsible for lost, stolen, or damaged property brought into the program from home.
- Kids Place staff will not be held responsible for items brought from home that are lost or stolen. It is the parent's responsibility to be aware of what each child is bringing to site. Any questions about what is permitted on site can be addressed with the Site Director
- Parents are responsible to inform the YWCA Finance Department of any changes in their EZ-EFT account information.
- Parents/guardians are responsible for keeping medications current and available on site.
- Parents/guardians are expected to use positive behavior reinforcement when reprimanding their own child while in the program area.
- Parents/guardians may only reprimand their own child while in the program area.

- Parents/guardians are asked not to bring pets into program areas, including the program playground.

guidance and management policy

Behavior Management

The YWCA Kids Place program policy of discipline is one that teaches and promotes self-control and builds self-esteem. Our hope is that each child will learn self-discipline through careful guidance and reinforcement of positive behavior. Your child will be treated with respect. If children are treated with respect, they in turn learn to respect the teachers and their classmates. Our expectations will be kept within the child's capabilities and the child will be made aware of these expectations.

Positive reinforcement and positive redirection will be used. A child may be asked to sit for a short time period to give the child a chance to regain control if they are having a difficult time. Time outs will be age appropriate in length and done within the classroom. Staff will not impose punishments for failure to eat or toilet accidents. Spanking, hitting or rough handling of the children by staff, volunteers, or parents is strictly prohibited. A copy of the program behavior expectations appears in the Appendices.

Self-discipline is always encouraged and we strive to help the children learn skills to get along with others. We help the children learn how to express themselves by talking and explaining their wishes and feelings, while we show them an alternative to their situation.

Children are allowed to bring technology from home based on their individual sites schedule and policies. Any internet capable device brought to site must access the internet through the district's guest/student wireless internet access. All content on a child's device must be age appropriate. Only "E" for Everyone-rated content is permitted in the program. Children are not permitted to make phone calls, text, take pictures, or videos with their device during program hours. Children listening to music on their device must use headphones. Electronic devices are not permitted on field trips, swimming, in the gym, or on the playground. Electronic devices and games are not to be shared or viewed by other children. Device screens must be visible to childcare staff and children may be asked to sit so this is possible when using a device. If allowing technology becomes a behavioral concern the YWCA Kids Place staff reserves the right to disallow technology in the program.

Bullying is an anti-social behavior that affects everyone. This behavior is unacceptable and will be dealt with promptly and effectively. YWCA Kids Place is a telling school – which means anyone who knows that bullying is happening or anyone that is a victim of any type of bullying needs to tell the appropriate staff member. Appropriate staff member is defined as any site director, program assistant or substitute staff. All incidents will be taken seriously and investigated.

If a situation arises where a child is consistently endangering himself, peers, or staff, it may become necessary to withdraw a child. Every attempt will be made to work together with the parents and the child to correct the behavior; however, the safety of children is always our primary concern. If a child demonstrates behavior that requires frequent "extra attention" from a staff member, a behavior management plan will be implemented. This plan would be developed in consultation with the parent and would be in accordance with Rule 5101:12-19 in the Ohio Administrative Code. If a child is removed from school and not permitted on school grounds for a period of time, they are not permitted to attend the Kids Place program during that time. The program reserves the right to deny or terminate services due to behavior or disciplinary situations. If a child is expelled from the school-year Kids Place program for behavior/disciplinary issues, this may exclude them from participating in the summer Kids Place program & vice versa. This guidance and discipline policy applies to all YWCA Kids Place child care staff.

supervision of children

Arrival, Departure and Attendance Procedures

- Parents/guardians, or other authorized persons, are required to sign the child in and out the program. All authorized persons must be at least 16 years old. A child may not arrive or leave from the program alone. Children may not be dropped off at the entrance of the building or be sent inside alone.
- A child will not be released to anyone other than the custodial parent, guardian or a person authorized by the parent/guardian on the registration form or in writing.
- Parents/guardians and authorized persons should be prepared to show identification each time they pick up a child from Kids Place.
- Parents should minimize the use of cell phones when picking up or dropping off children.
- Children must be picked up by 6:00 p.m. according to the clock at the program site. Please allow sufficient time to pick up your child, considering traffic, road conditions and delays. Please drive safely.
- A late pick-up fee for every 5 minutes after 6:00 pm that a child is pickup up from the program will be assessed and charged to the existing EZ-EFT account within 5 business days of the occurrence. Frequent or repeated late pick ups and failure to notify staff may result in increased fees and/or termination of services.

- Please notify the site director as soon as possible if an event/emergency occurs causing a delay in picking up a child. A list of all program sites phone numbers is included in the Appendices. If you call the site phone number and do not get an answer, please leave a message with complete information including your name, your child's name and your expected time of arrival.
- The individual named as an emergency contact should be prepared to pick up a child on time in case the parent/guardian is delayed. All emergency contact persons will be required to show ID at the time of pickup.
- **YWCA Kids Place may NOT be listed on the school Emergency Card as an emergency release contact.**
- In the event that a parent/guardian or emergency contact person does not pick up the child within one-half hour of the program closing time, and no contact has been made with the site director to explain the delay, staff shall assume that a personal crisis or emergency has occurred. The local police department may be contacted to assist in a plan for locating the parent/guardian or emergency contact persons. The Franklin County Department of Children's Services may also be contacted. A message will be left with the primary parent if the child is transported elsewhere.
- Program staff are unable to release a child to anyone they suspect is under the influence of alcohol or other substances. Program staff will work with the parent to identify a safe method for transporting the child home. If the parent/guardian or other person refuses discussion or assistance, staff will inform the parent/guardian that if she/he leaves the program area with the child the police will be notified with the name and license number (if available) of the driver suspected to be impaired.

Custody Arrangements

The parent/guardian is responsible for providing legal documentation concerning custody arrangements and instructions indicating who has access to the child and permission to pick up the child. The program may not deny a parent/guardian access to their child without legal documentation.

Absence Policy

At YWCA Kids Place, your child's safety is our primary goal. Parents must notify the child's Kids Place location **in addition** to notifying the school office when your child is absent. (Please refer to the site directory in the Appendices for site phone numbers). If the parent calls the site phone number and does not get an answer, they should leave a message with complete information including parent's name, child's name and date and session (AM or PM or both) that child will be absent. Parents will also be able to leave a written notice of planned absences at the Parent Information Center at their child's Kids Place location.

- **Morning Sessions:** If a child who is scheduled to attend the morning session does not arrive, it is assumed that the parent/guardian has chosen not to bring the child to the program that morning.
- **Afternoon Sessions:** Unless notified in advance by the parent/guardian, all children scheduled for the afternoon session are expected. Attendance is taken as the children enter the program area and again upon departure. If the child is not in attendance the site director/designee will contact the parent/guardian by phone, as well as the other emergency contacts identified. If employees are unable to reach the parent/guardian they may do the following:
 - ✓ Check the school absence list
 - ✓ Check with school personnel
 - ✓ Contact the police

As this process can be time consuming and removes staff from program duties, please make every effort to report a child's absence in advance. A tracking fee may be charged if a search occurs. The tracking fee will be automatically charged to the existing EZ-EFT account within 5 business days of the occurrence.

Plan for Supervision of School Age Children

No child shall be left unsupervised, except as allowed by Rule 5101:2-12-19 OAC which provides that school age children may:

- Run errands inside the building, or use the restroom alone or in groups of no more than six children, without adult supervision,
- Be in a group of no more than six children in K-3rd grade engaged in safe activities without a staff member as long as a child care staff member can see or hear the children at all times and checks on the children every 5 minutes until they return to the group/4th grade or older engaged in safe activities without a staff member as long as a child care staff member can see or hear the children at all times and checks on the children every 10 minutes until they return to the group, provided the program has exclusive use of the space being used.
- Leave the center for specific activities and participate in other activities within the building with the signed

permission of a parent or guardian

Transitions

The YWCA is committed to ensuring smooth transitions for both parents and children when entering and exiting the Kids Place program. Transition strategies may include the following:

- An open house held for parents each fall that includes information about the program as well as the opportunity to meet program staff
- End of year celebrations
- Children greeted each day upon entry to the program
- Introduction of new students to the rest of the group and the opportunity for the new student to share something special about themselves
- Mentoring programs between younger and older students
- If notice of withdrawal is given, children will be given the opportunity to finish any projects they are working on, as well as say goodbye to peers and Kids Place staff before leaving the program.
- Upon registering for the program, if parents feel their child is apprehensive or nervous about attending we recommend that parents utilize age appropriate literature to help ease their child's transition into a new setting.
- Children are allowed to bring a comforting toy from home to assist in adjusting to their new setting.

food information

Morning sessions include a nutritious breakfast for the children and afternoon sessions include snacks. Menus will be posted on the Parent Information Board at each site. If needed, nutritious snacks or breakfast items may be brought from home as a supplement to the foods offered. Refrigeration and microwave are **not** available for storage or preparations. Parents are responsible for providing children with a nutritious lunch on all Full Days and also during our Summer Program. All foods served at the program follow the guidelines required by the Ohio Department of Job and Family Services Day Care Licensing rules and the USDA Child and Adult Care Food Program guidelines.

Nutritional Information for Lunches

Lunches brought from home during our Summer and Full Day programs must consist of nutritional food from the following food groups: (minimum portion for 5-12 year old)

- Protein (2 oz.)
- Grain (1 slice or $\frac{3}{4}$ cup)
- 2 servings of fruits & vegetables ($\frac{3}{4}$ cup)
- Dairy (1 cup fluid milk)

All food items must be stored in a lunch box/bag with your child's name. Please be sure to include ice packs if foods need to be kept cold. Refrigerators and microwaves are not available for storing or heating lunches. If a lunch does not meet the nutritional requirements, YWCA Kids Place is mandated to provide the additional foods. A fee may be charged for repeated supplementation of lunches that do not meet nutritional requirements.

If a child arrives without a lunch, the parent/guardian will be asked to return with a lunch or make arrangements to provide one.

procedures for emergencies and accidents

Insurance Coverage

YWCA Kids Place is covered by liability insurance through the YWCA. Any occurrence necessitating medical attention is the responsibility of each child's parent/guardian. The YWCA does not carry medical insurance on participants.

General Emergencies

Children meet in their assigned Emergency Groups for all emergency procedures. Fire and tornado drills will be held monthly during both morning and afternoon sessions at varying times. A record of these drills will be kept on display in the program area.

Each emergency group, evacuation routes and emergency procedures are posted on the parent information board.

In the event that the building is evacuated, a sign indicating the evacuation location will be posted on the front door of the school building. Parents/guardians will be contacted as soon as possible and asked to pick up their children. If a parent/guardian cannot be reached, the emergency contact listed on the registration form will be contacted. Please refer to the Emergency Evacuation Locations located in the Appendices for specific evacuation locations.

When a group of children are outdoors, the supervising staff member shall be able to summon another adult without leaving the group alone or unsupervised. A responsible child, fourth grade or higher, may leave the group to summon an adult. Playground safety rules will be reviewed and enforced with staff and children. A safety inspection of the outdoor play space, equipment and protective fall surfaces will be completed four times per year. Documentation of these inspections will be kept on file at each site.

Minor Injury or Illness

In the case of a minor accident/injury staff will administer basic first aid. The parent/guardian will receive a written incident report on the day of the incident. If the injury is more serious, first aid will be administered and the parent/guardian will be contacted immediately to assist in deciding an appropriate course of action.

Serious Incident, Injury or Illness

In the case of a serious incident, injury or illness the parent/guardian will be notified immediately. If EMS are contacted and determines that a child should be transported a staff member will accompany the child until the parent arrives and will provide medical personnel with all available health records for the child. The site director will notify ODJFS within 24 hours of any serious accident or injury by use of the Ohio Child Licensing and Quality System (OCLQS) system.

Procedure for Completing an Incident Report

For all minor and serious incidents or injuries, the program staff member who witnessed the incident will complete an ODJFS form 01299 Incident/Injury Report. Whenever possible, this form will be completed immediately after the incident occurs and will be provided to the parent when they pick up their child. All forms will be completed within a 24 hour period from the time of the incident and provided to the parent at the next possible opportunity.

Employee Education and Training

The Ohio Department of Job and Family Services requires that at least one staff member be present and have current, valid training in First Aid, Management of Communicable Disease, CPR, and Child Abuse Recognition. Because of our commitment to maintaining a safe environment, YWCA Kids Place requires that all staff complete these courses.

Weapons Policy

Weapons of any kind are not permitted in the program area or on school property. The definition of weapon may include any object not usually considered a weapon but is used as a weapon for the purposes of this policy.

When a weapon (or an object used as a weapon) is found or is used to threaten or harm another, the following action will take place:

- The weapon will immediately be confiscated.
- The child's parent/guardian will immediately be contacted.
- A meeting between parent/guardian, program staff and child will be scheduled.
- The child may be suspended or removed from the program.
- The building principal may be notified.
- The police may be notified.

Management of Illness

YWCA Kids Place is committed to providing a healthy and safe environment for all children enrolled. To help us prevent the spread of disease, please do not send an ill child to the program. When a child becomes ill, staff will ensure that the child is made as comfortable as possible and will contact the parent.

Symptoms Requiring Discharge from the Center

A staff member trained to recognize the common signs of communicable disease or other illness will be present during program hours. The trained staff member shall observe each child daily as she/he enters the program. The following precautions shall be taken for children exhibiting signs of a communicable disease or other illness:

1. The site director or designee will immediately contact the parent/guardian to notify them of the child's condition.
2. A child with any of the following symptoms shall be immediately isolated and discharged to the parent or emergency contact:

 4. A child with a suspected communicable disease will be isolated in a portion of the room not being used for other types of child care, within sight and hearing of a staff member at all times. The child will be made comfortable on a mat in a quiet place to rest, play or sleep and observed carefully to determine if the condition is becoming more severe.
 5. All linens and blankets used by the ill child shall be laundered before being used by another child. After use, the mat shall be washed with soap and water and sanitized with an appropriate germicide. Temperatures are taken using the axillary (armpit) method with a digital thermometer.  7. Parents/Guardians will be notified in writing when children have been exposed to communicable disease.

4. Refrigerate, in a separate container, medications or products immediately upon arrival at the center if needed.
5. Ensure that medications and products are accessible to employees at all times.
6. Ensure that medications and products are removed from the center when no longer needed or expired.

Administering Medication

The program staff will administer medication to a child only after a complete Request for Administration of Medication form is completed by the parent/guardian. All sections must be completed and the medication given to the site director. Medications will be stored in a designated area inaccessible to the children. Medication may not be stored in the child's backpack or cubby. An ongoing prescription must be renewed every twelve months on the appropriate licensing form.

- Prescription medications must be in their original container with the prescription label identifying the child's name and dosage amount. The medication will be administered in accordance with the instructions on the label. An ongoing prescription medication must be renewed at least every twelve months. YWCA Kids Place will not administer medications that have expired.
- Over the counter medications must also be administered in accordance to label instructions. If a parent requests a different dosage or use a physician must provide written instructions on the Request for Administration of Medication form. Over the counter medications will not be administered for more than 3 days without written instructions from a physician.

In the event the parent asks program staff to conduct medical procedures, such as breathing treatments, administering inhalers, changing bandages, or any other medical or physical procedure, the parent must complete a Request for Administration of Medication and/or Medical Physical Care Plan form. Please see the YWCA website or your site director to obtain these forms. A written Medical/Physical Care Plan must be completed for any child attending the program on Full Days who has an ongoing health condition or a temporary condition that requires care.

Food Supplements and Modified Diets

If a child requires a food supplement or modified diet, written information from the physician is needed and parents are asked to provide the supplement or foods that are appropriate for the child.

Use of Topical Products and Emergency Medications for School Agers

School age children may carry their own topical products (i.e. Chapstick, sunscreen, hand sanitizer, and lotion) provided it is kept on their person and not accessible to other children. A Request for Medication Administration of Medication Form needs completed.

School age children who have been prescribed an inhaler or epi-pen may carry it on their person (only) provided the following procedures are followed:

- The emergency medication has all required prescription information on the label of the item including the child's name and dosage.
- A Request for Medication Administration of Medication Form has been completed

- A Medical/Physical Care Plan Form has been completed.

It is important for parents to remind their child to inform a member of the YWCA Kids Place team when they administer any topical products or emergency medications so it can be monitored and documented properly.

transportation of children

Emergencies

In the case of an emergency where EMS determines that a child should be transported to the hospital, only the parent/guardian or EMS may transport the child. Staff may not transport children in personal vehicles. A child whose parents have refused to sign the Permission to Transport section of the Child Enrollment and Health Information form will not be able to enroll in YWCA Kids Place.

Field Trips

Transportation for field trips will be provided by the local school districts or by a private transportation service. Before departing the program site and after getting on the bus, a count will be taken of all the children. This count will be marked on a separate attendance sheet, specifically created for the trip. Upon arrival at the destination, another count will be taken to assure that all of the children have safely arrived. This process will be repeated upon leaving the destination and returning to the program site.

During the course of the field trip, each staff member will have specific children that they are responsible for supervising and will conduct frequent head counts to assure the safety of the children in their care. The following will be available on all field trips:

- The First Aid box.
- The emergency transportation authorization for each child.
- The health record of each child.
- A record listing each child on the field trip

Each child will have identification attached showing the YWCA's address and telephone number to call in the event a child is separated from the group.

Routine Trips

Transportation for routine trips will be provided by the local school district or by a private transportation service. Safety procedures for routine trips are the same as those listed for field trips.

There is no option for care at the program site during the time of a trip.

Written permission is required from parents for all trips.

swimming policy

Swimming activities will be provided for school age children during the summer program and occasionally, as a special field trip, during the school year. In the summer children are regularly scheduled to swim on the same day/s of the week at the same time. Dates, times and pool locations are posted on the parent information board at each summer program site.

The child's swimming level must be indicated on the permission form. A colored wrist band indicating the child's swimming level (non-swimmer- red, beginner- yellow, intermediate- green, advanced- blue) will be worn by each child. The wrist band is used as a visual aid to help staff determine where a child may go in the pool area. Swim level may be tested by the pool facility, as required.

All swimming field trips or water play event will be supervised by YWCA Kids Place staff and certified lifeguards at the swimming facility. Staff will be assigned a designated area of the pool to monitor for safety. The staff/child ratio for any swimming activity is 1:15 or less, depending on pool requirements. Lifeguards are not included in the ratio.

A permission form must be signed by the parent/guardian to allow a child to participate in any swimming activity.

outdoor play policy

Children will be given the opportunity to enjoy play time outside each day unless the temperature is below 25 degrees or above 90 degrees, or if conditions on the playground are unsafe.

Please make sure your child is dressed appropriately for the weather. It is recommended that your child wear clothing that allows for easy movement. Please inform the site director if a child should not go outside because of weather or health related conditions.

When outdoor play is not possible, children will be provided with indoor large motor activities in the gym. Tennis shoes must be worn in the gym to participate in activities.

During our summer program, parents will be asked to sign a permission form for sun screen with an SPF of 30 to be applied before participating in outdoor activities.

The YWCA offers convenient on-line registration for all Kids Place locations. To complete registration please go to www.ywcacolumbus.org and click on child care/before and after school or summer. By completing the online registration process this will generate the following required childcare forms your child will need in order to be enrolled in the YWCA Kids Place Programs:

- ODJFS 01234 Child Enrollment and Health Information Form
- Family Information Form
- Tuition Agreement
- Expected Behavior Form
- Request for Administration of Medication for Childcare Form (If needed)

Once the registration is complete and payment has been received an e-mail confirmation will be sent to you with your child's start date.

Wait List Information

A waiting list will be maintained if a site is filled to capacity. The parent/guardian will be contacted when an opening occurs at the program site.

School Delays or Cancellations

When schools or school districts are closed due to emergency conditions, including severe weather, public disaster or building issues, YWCA Kids Place does not have access to the school building and is unable to operate the Kids Place programs.

- When the school district delays opening in the morning, before to the students' arrival, the morning Kids Place program will not operate. If school is resumed after a morning delay, the afternoon program will operate as scheduled.
- When school is dismissed early due to emergency conditions the afternoon Kids Place program will not operate. The school will dismiss children from school according to the information parents/guardians have provided the school office on the Emergency Card. The YWCA Kids Place may **NOT** be listed on the school Emergency Card as an emergency release contact.
- If school is closed for the entire day, the YWCA Kids Place will not operate on that day.

Scheduled School Days Off/Full Day programs

YWCA Kids Place offers optional care from 7:00 am until 6:00 pm on most scheduled days when school is not in session (holidays, teacher in-service, winter and spring breaks) for a fee. Please refer to the Handbook Appendices for each district's Full Day schedule and the choice of site locations.

Parents will be given an e-mail notification in advance of all Full Days. On-line registrations for full day programs will occur 3-4 times per year. The Full Day tuition costs will be added to the existing EZ-EFT account balance and charged with the next scheduled tuition payment.

Approved participants of subsidized funding for child care with ODJFS must have authorization for extended of hours of care which specifically names the YWCA Kids Place Full Day site. Spaces are limited and filled on a first come, first served basis.

Full Day tuition payments are not refundable or applicable to any other Full Days or regularly scheduled school days. Tuition payments must be current in order to be eligible to use Full Day care. Full day payments are drafted from your account during the month in which the full day care will take place.

- Full Day Lunch - The parent/guardian must provide a lunch on all Full Days. Please send food items which do not need refrigeration or the use of a microwave. Milk will be available at lunch. Please refer to the "Food Information" section of this handbook for complete licensing rules regarding lunches.

Full Day Cancellations or Changes

The YWCA reserves the right to offer Full Day programming at an alternative site or to cancel a Full Day due to low enrollment, operational needs or emergency conditions.

The program will not operate in the event of a public disaster, such as flood or tornado or when there is a building problem (gas leaks, etc.) which renders the building unsafe. The program will not be offered if the weather is severe enough to cause a Level 3 emergency.

The program may also need to close in emergency situations where the school district has determined that the school building needs to be closed. In this case parents of children in attendance at the program will be notified both by email and at the phone numbers listed on the child's registration form.

Notification of any Full Day cancellations or changes will be sent to the e-mail address provided by the parent at the time of registration.

Children with Special Needs

Children with special needs are welcome to participate in YWCA Kids Place if it is identified that a program can appropriately meet the needs of the child. We encourage and promote the inclusion of children with special needs, based on the "reasonable accommodation" provisions of the Americans with Disabilities Act. Information supplied by the parent/guardian on the registration form and a visit by parent/guardian and child to the site will assist in this assessment. Concerns and questions will be addressed and expectations will be discussed, keeping in mind the child's ability to perceive and respond to the program environment based upon her/his developmental level. The site director will obtain a release of information for speaking with school personnel to assist in delivering appropriate services. The child's IEP will be shared with staff to provide consistency of care.

Formal Assessments

The YWCA Kids Place programs do not provide formal assessments during the school year or summer.

Immunizations

The YWCA requires that all children be immunized. We will follow the state licensing rules and regulations for school age children which states children who attend a grade of kindergarten and above in an elementary school are exempt from providing a medical statement to the child care program.

tuition information

A non-refundable registration fee per family/per school year is due at registration. Tuition is paid by the month by using an electronic funds transfer. Payment 1 (of 9) must be paid at time of registration. For your convenience tuition costs are based on annual rates for AM care, PM care or AM and PM care, divided into nine, equal, monthly installment payments. Monthly payments remain the same regardless of the number of school days in the month, non-attendance due to illness, vacation, or other absence, holidays, breaks, teacher professional days or program cancellations due to emergency conditions.

Tuition payments and all fees that may occur are the responsibility of the primary parent as identified on the enrollment form. Parents/guardians needing to pay separately for the same child may make financial and contractual arrangements at time of registration. A fee may apply for split accounts.

The YWCA may apply payments received in advance and designated for monthly tuition or other programs to overdue account balances. Tuition must be current in order to sign up for any other YWCA programs, including Full Days and Summer Programs.

Late Payments: Late tuition payments will be subject to a \$25.00 late payment fee in addition to a \$25.00 processing fee. A Processing fee will be issued on any account for which tuition cannot be drafted from the financial institution we have on file the day tuition is due. Any accounts that are not brought current the same day tuition is due will be issued an additional late fee.

Tax Receipts: As a courtesy to assist parents during tax time, the YWCA will issue **yearly** child care account statements for each child and each program that child participates in. Statements will be sent by the end of January to the email address provided during registration for the primary parent/guardian. It is the parent's responsibility to ensure that the YWCA has a valid email address. Requests for duplicate statements will require up to 10 business days for processing. To request a duplicate receipt please e-mail Candice Moore in the finance department: camoore@ywcacolumbus.org.

Employer Child Care Reimbursement or flexible spending accounts: Monthly or quarterly tuition payment receipts that are more detailed as required by Employer may be requested by e-mailing the finance department at

camoore@ywcacolumbus.org . Specialized receipts and employer forms will not be processed until after the 14th of the month in which the payment was received. This is to allow for processing time of the payment files and ensures the payment is not returned for any reason.

Electronic Funds Transfer (EZ-EFT)

The YWCA is pleased to offer the most secure and simplified method for ensuring timely and accurate tuition payments for your child's Kids Place care. This is a required form for all families enrolled in YWCA Kids Place. An updated form must be completed any time there are changes to your account. Failure to return an EFT form when needed is grounds for dismissal from the program

1. How Does EZ_EFT Work?

Once you enroll in EZ-EFT, your financial institution will automatically send us your payment from your checking or credit card account on the day it is due. It's your choice.

- **Convenience:** EZ-EFT reduces the time and hassle of paying your YWCA Kids Place tuition. Your payment is made by your financial institution automatically and on time, avoiding hassle and expensive late payment fees.
- **Control:** You choose the method of payment: checking account or credit card. You can cancel this free payment service for any reason, at any time. *Notification of change or cancellation must be received a minimum of 15 days prior to the next scheduled tuition payment.*
- **Value:** Not only is EZ-EFT free, but it saves you time and money, and simplifies your busy life.

2. What about security?

Payment is made by your financial institution, but only with your authorization. The YWCA Columbus does not have access to your account information once authorization is submitted to your financial institution.

What's more, federal consumer safeguard regulations are even more stringent for EZ-EFT than when you pay by check, which means EZ-EFT is *more* secure than conventional checking!

- #### **3. The YWCA recommends Automated Account Transfer directly from your checking account.** Please note the YWCA is not responsible for early payment attempts made by financial institutions on EZ-EFT accounts using debit or check cards.
- #### **4. To change your EZ-EFT payment method** send a request by email to camoore@ywcacolumbus.org before payment is due. It is the responsibility of the parent/guardian to inform the YWCA of any changes in payment options or any changes in credit cards.

Please refer to your district's specific Tuition Agreement, found in the Appendices, for a monthly tuition payment calendar and a detailed explanation of tuition costs.

Contract Changes and Withdrawal from the Program

Notification of any changes or withdrawals must be made **in writing** a minimum of 15 days prior to the next scheduled tuition payment.

A Contract Change Fee will be charged for changes that switch AM and/or PM care or that **reduce** the numbers of hours of child care. A new tuition contract and EZ-EFT authorization are required for contract changes. A Contract Change Fee is not charged if adding hours of child care.

Each time a child is re-enrolled, within the same school year, a Re-enrollment Fee is charged.

Contract Changes or Withdrawal Procedures

- The parent/guardian must notify the site director of the change/withdrawal of the child.
- The parent/guardian must send an e-mail explaining the change in child care hours or withdrawal information to Debbie Delzell, Data Specialist at ddelzell@ywcacolumbus.org. The e-mail must contain the child's name, name of the school site, start date of the change in hours, or the last day the child will attend the program if you are withdrawing your child.
- A confirmation e-mail will be sent to the parent/guardian confirming the contract change. The date the change becomes effective will include any additional costs or credits.

- If notice of withdrawal is received less than 15 days prior to the next scheduled tuition payment, half of the next monthly payment is required.

subsidized child care

As Caretaker, please review the following:

- I agree to be responsible for recording attendance daily using the Child Care Time, Attendance, and Payment (CCTAP) device.
- I agree that I am responsible for updating any attendance transactions that are in error or were missed by the next day of program operations.
- I understand my cooperation with program staff is essential and any delays or refusals in updating transactions may result in termination of my subsidized child care.
- I am responsible to establish login information to record daily attendance.
- I am responsible for ensuring that any designee I choose to drop off or pick up my child will be added, in advance, to the Child Care Time, Attendance, and Payment (CCTAP) system via the Site Director. Additionally, the designee will be aware of and prepared with the appropriate login information when dropping off or picking up in my place.
- I understand that I am responsible for signing the parent sign-in/out log daily. The legible signing of your whole name and accurate recording the time of day is required in addition to recording my attendance using the Child Care Time, Attendance, and Payment (CCTAP) device.
- Publicly funded childcare recipients are expected to attend 5 days/week during the school-year unless a part-time schedule has been set with the Program Administrator by providing a part-time parent/guardian work/school schedule. Part time care is not available in summer. I understand that excessive absenteeism may result in a daily fee or termination of my subsidized child care. I understand that excessive absences are considered more than 10 absences in a six-month period, regardless of site location. Absences in excess of 10 will be charged the daily rate and deducted from my EZ-EFT account. ***The primary parent will be assessed a daily fee for all absences over the 10 absence maximum. Please contact the Kids Place administrative office for daily rates.***

Attendance Policy: According to code 5101:2-16-41 of the Ohio Department of Job and Family Services Policy Payment Rates and Procedures of Publicly Funded Child Care – each child has 10 absent days between January 1st - June 30th and between July 1st - December 31st . Unused absent days within a six-month period do not roll over into the next period. As a Provider, we are not reimbursed for any absent days after the 10 absent days have been used within the six-month period.

Behavior Expectations

Child's Name _____

YWCA Kids Place is committed to each student's success in learning within a caring, responsive, and safe environment that is free of discrimination, violence, and bullying. Our program works to ensure that all students have the opportunity and support to develop to their fullest potential.

Program staff will discuss the following behavior expectations with all children. Please review them with your child and sign below. We appreciate your assistance in reinforcing the importance of safe, respectful and appropriate behaviors.

Expected Behavior at YWCA Kids Place

1. **I will take care of myself:** I will make good choices and speak up if I need help.
2. **I will take care of others:** I will treat my friends and teachers kindly. I will listen to my teachers. I will not hurt others. I will not be a bully and will stand up for others that are being bullied.
3. **I will take care of the space:** I will use the toys, games and equipment with respect, clean up after myself and take care of the school building and playground.
4. **No weapons:** Weapons of any kind are not allowed at school or Kids Place. This includes violent toys, and any object that is a facsimile of a real weapon. Any use of articles designed for other purposes (i.e. pencils, scissors etc.) to inflict bodily harm and/or intimidate others will be treated as the possession and use of a weapon.
5. **I will have good sportsmanship:** I will play by the rules and try not to argue. I will follow directions. I will encourage my teammates and ask everyone to play. I win without gloating – I don't rub it in. I lose without complaining – no hard feelings.

Bullying:

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose. These behaviors happen more than once or have the potential to happen more than once.

Bullying will not be tolerated in Kids Place. Kids Place staff will work closely with parents of all parties involved to ensure children participating in the program are safe. If bullying behavior continues a child may be exited from the program.

Every attempt will be made to successfully resolve conflicts between children. Staff, children and families will be involved to work toward solutions. However, if a child's actions continue to threaten his or her safety, the safety of others, or the program environment, there may be a suspension or expulsion from the program. Serious or repeated incidents may result in immediate dismissal from YWCA Kids Place programs. Notice will be given and a parent conference will be required when a suspension or expulsion occurs.

I agree to follow the behavior expectations listed above in order to keep myself and this program as safe as possible.

Tuition Rates:

YWCA Kids Place tuition rates are based on an annual tuition fee that is divided into nine equal monthly payments. Parents/guardians receiving State subsidized funding or Publically Funded Childcare (PFCC) for child care must do the following to participate in the program:

- Apply through Franklin County Department of Jobs and Family Services (FCDJFS) for child care assistance and have FCDJFS approved authorization
- Complete YWCA Kids Place online registration with a **non-refundable \$50 registration fee** (per family)
- Pay first month's co-payment as determined by JFS, if applicable. Or, if PFCC authorization is not received by the YWCA Kids Place program prior to registration, a \$100 estimated co-payment must be made at the time of registration. If the JFS authorized co-payment turns out to be less than the \$100 estimated co-payment, the difference will be credited to the parent/guardian account.

Monthly co-payments follow the same payment schedule as full tuition payments. A child may only attend the program for the number of hours approved by FCDJFS. Publicly funded childcare recipients are expected to attend 5 days/week during the school-year unless a part-time schedule has been set with the Program Administrator by providing a part-time parent/guardian work/school schedule. Part time care is not available in summer. A child is permitted up to 10 absent days per 6 months (Jan.1st – June 30th & July 1st – Dec.31st).
