

ELECTRONICS POLICY

Please review these guidelines with your child before you give them permission to bring an electronic device to the program.

1. Children are responsible for their electronic device, games and accessories brought from home to the program.
2. Games brought to site must be rated "E" for Everyone. Games rated anything other than "E" not permitted to be brought to site.
3. Children accessing the internet through their device must use the schools Wi-Fi labeled as "Student" which limits access to websites that the school district has determined to be unacceptable for school use. Children may not use their cellular data to access the internet to access social media.
4. Children are not permitted to make phone calls or text with their device during program hours.
5. Children are not permitted to access social media accounts, or take photos or videos during program hours.
6. Children listening to music on their device must use headphones/earbuds.
7. Electronic devices are not permitted to be taken on field trips, swimming, in the gym or on the playground.
8. Electronic devices, and games, cannot be shared with other children. This includes allowing another child to watch as a device is played or used.
9. Electronics may only be used before summer program opening and during one rotation during the curriculum period during the day. In the Game Room for Red, Orange, Yellow and Green groups and in Creative Play for Blue and Purple groups.
10. Children using electronics during the program must position themselves so that the screen of the device is easily observed by staff. Screens cannot be facing a wall.
