Do you have a team member who goes the extra mile when helping serve our community? How about someone who is always ready to lend a hand when things get busy? Know any one who energizes your team or always has a kind word when things get tough?

It takes a whole village to carry out our mission of eliminating racism and empowering women. Help us identify an employee who stands out among our great team. Please nominate someone* that you believe goes above and beyond so that they can be recognized through the Excellence in Service Award at our 2019 Annual Meeting on **December 4 from 9:30-11:00 am**

**nomination deadline: Wednesday, November 20, 2019**

*Leadership Team members are not eligible for the staff award

**staff member**

Name: _________________________________ Department: _________________________________

What role do they play in your team?

________________________________________________________________________________

Examples of excellence:

________________________________________________________________________________

________________________________________________________________________________

________________________________________________________________________________

________________________________________________________________________________

________________________________________________________________________________
