ENGAGING OUR SUPPORTERS

ENGAGING ALUMNI
The work of YWCA Columbus is fueled by our alumni, a close community of employees, current and past Board members, people who’ve taken part in leadership programs, and those who’ve been honored by our organization.

- Hosted our first-ever Virtual Alumni Mixer on June 3, with 53 staff, board members, and alumni. The group heard from Christie Angel about how YWCA Columbus has responded to the pandemic and what we’re doing in the fight against systemic racism.

- Created a set of action steps to mobilize YWCA alumni against systemic racism; built off of that to encourage the community to act.

- Listed current and ongoing local protests, marches, and resistance events to keep alumni and the general public informed of the efforts being made in the Black Lives Matter movement.

- Curated a list of anti-racist resources to improve racial literacy.

- Called on our community of alumni to come together as allies to get involved in racial justice efforts and build sustained momentum for change.

- Coordinated a virtual workshop for Leadership for Social Change Alumni on Women’s Wealth Accumulation in light of the recent Wealth Gap report highlighting a greater need for women’s financial literacy.

VIRTUAL WOMEN OF ACHIEVEMENT
Honor and learn from women who are impacting their professions, uplifting their communities, and inspiring others with their courage and compassion. 
August 12, 12-1pm

VIRTUAL ACTIVISTS AND AGITATORS
Learn how to pursue social change from those on the front lines. You’ll gain practical resources and approaches to confront and combat discrimination and poverty. October 9. Further details coming.
